

P.E.A.K. Appalachian Project – Design Cycle Plan

Our Group Members Are...	
Investigate	<p>I used these sources to find out information about my project:</p> <p>These are the questions I asked myself while searching for information:</p> <p>I considered what I already knew about the topic:</p>
Design	<p>The best idea we came up with for my project:</p> <p>The materials we need to create my project:</p> <p>Why we decided to produce our PSA using this medium:</p>
Create	<p>How we will put together the pieces of my project using appropriate techniques and equipment:</p>
Each of us will work as a contributing member in this plan by....
